HEARINGS . . . THE COVERS MIGHT BE DULL, BUT THE CONTENTS ARE GOLDEN! SENATE & HOUSE REPORTS HAVE USEFUL INFORMATION TOO.

“A hearing is a meeting or session of a Senate, House, joint, or special committee of Congress, usually open to the public, to obtain information and opinions on proposed legislation, conduct an investigation, or evaluate/oversee the activities of a government department or the implementation of a Federal law. In addition, hearings may also be purely exploratory in nature, providing testimony and data about topics of current interest.”
