Student Loan Strategies

Fourty-four million Americans hold over $1.4 trillion in student loan balances, with the cost of repayment often leading to tremendous financial burden. This class will discuss options for repaying, reducing, or avoiding student loans. We’ll talk about:

- Grant and scholarship options
- Types of student loans
- Refinancing and Consolidating
- Public Service Loan Forgiveness
- Resources for more information

Medicare Planning

Planning your retirement and new to Medicare, or just need a refresher? Please join us for an informative educational session. You will learn about the four Medicare parts, Part A, Part B, Part C, Part D and about Medicare Supplement insurance. You may know a little or a lot about Medicare. You may be already enrolled or just starting to think about signing up. You may be interested for yourself or for a loved one. Whatever your situation, this class will help you understand Medicare and your choices.

Dollars + Sense = ???

The money decisions we make often are not logical or in our own best interest. Join us for a look at the psychology behind our money behaviors and get a glimpse into the weird world of our relationship to money, spending, and the social/emotional side of our finances.
