Colorado State University Libraries

ALLISON LEVEL, Coordinator for Collections 491-3918 Office: Morgan #137

- Contact Allison by phone, email Allison.level@colostate.edu,
- Contact Science Cluster, email: library_sciencecluster@mail.colostate.edu

GEAR UP FOR RESEARCH

- If you are doing research from off-campus, log in to <https://secure.colostate.edu>
This will allow you to access all databases, online journals, ebooks, etc.
More about Secure Gateway <http://www.acns.colostate.edu/Help/SSL-VPN>
- Interlibrary Loan for what CSU doesn't own

ONLINE CATALOGS

- **Library Catalog (Discovery)** <http://discovery.library.colostate.edu>
- **Library Catalog (Sage)** <http://catalog.library.colostate.edu/>
- **Regional Catalog** (Prospector), available via Sage or directly <http://prospector.coalliance.org/>
- **WorldCat** (under Articles & Databases) catalog for all US libraries including other land grant schools

KEY DATABASES FOR SOIL AND CROP SCIENCES RESEARCH

- Web of Science
- CAB Abstracts
- Agricola
- Plant Science
- Crop Protection Compendium
- Plant Management Network
- Zoological Record Plus
- Digital Dissertations & Theses
- Lexis-Nexis (legal cases, law review articles, CFR, USC, Federal Register)
- Environment & Energy Publishing (newswire, newsletters, etc content)

KEY DATABASES TO CONSULT FOR IMPACT FACTOR, REFEREED, REFINE BY SUBJECT AREA

- Web of Science (refine results by subject area for journals published in subject-area journals)
- Journal Citation Reports (JCR) for impact factor of journals and top journals by subject area
- Ulrich's Web (searches information about journals, peer-reviewed, publisher, etc. This is helpful for journals which are not included in Web of Science)

CONFIGURING GOOGLE SCHOLAR TO DISPLAY THE FINDIT@CSU LINK

This link will automatically display for users accessing Google Scholar from on campus, but off-campus users will have to configure Google Scholar to display the link.

1. Go to Google Scholar. <http://scholar.google.com>
2. Click on the  Settings gear icon that is located on the top right hand side of the screen, **below** the black bar.
3. Click on the "Library Links" on the left hand side of the page.
4. Type "Colorado State University" into the search box. Click on "Find Library."
5. Select "Colorado State University (FindIt@CSU)"

BROWZINE

<http://Libguides.colostate.edu/browzine>

Browse thousands of journals from your tablet! BrowZine is a browsable newsstand of the library's top journals. Create a personal bookshelf of favorite journals, be alerted when new editions of journals are published and easily save to Zotero, Mendeley, Dropbox and other services.

Download Browzine for free from the iTunes App Store(iOS), Google Play (Android) or the Amazon Appstore (Android).

To sign in:

- 1) After downloading and opening the app for the first time, you will be asked to 'Choose a Library'.
- 2) Scroll down to, or type into the search bar, Colorado State University and select.
- 3) Enter your CSU ID and Password in the appropriate fields, and login.
